

## IN THE CLAIMS

This listing of claims will replace all prior versions, and listings, of claims in the application:

### Listing of Claims:

1. (Currently amended) A *poker* card game played with conventional playing cards, comprising:
  - (a) first, dealing two cards face down to one or more players in a hand; ~~player~~,
  - (b) second, conducting a first round of betting after the two cards have been dealt; [[where]] wherein one or more players can wager all his money and be an “all-in” player; ~~player~~.
  - (c) third, if after the first round of betting there is no more betting possible, then the one or more players ~~remaining~~ in the hand must expose their two face down cards; ~~eards~~.
  - (d) fourth, dealing three community cards face up, wherein each community card is usable by [[any]] the one or more players in the hand ~~player~~ to form a five card *poker* hand; ~~hand~~,
  - (e) fifth, if no more betting is possible and all of the two face down cards have been exposed, then any of the one or more players ~~remaining~~ in the hand have ~~the option~~ a first option to fold his hand and get back 40% of his wager. If more betting is possible, conducting ~~another~~ a second round of betting; ~~betting~~.
  - (f) sixth, if after ~~this betting round~~ the second round of betting there is no more betting possible, then the one or more players ~~remaining~~ in the hand must expose their two face down cards; ~~eards~~.
  - (g) seventh, dealing one community card face up; ~~face up~~,
  - (h) eighth, if no more betting is possible and all of the two face down cards have been exposed, then any of the one or more players ~~remaining~~ in the hand have ~~the option~~ a second option to fold his hand and get back 20% of his wager. If more betting is possible, conducting ~~another~~ a third round of betting; ~~betting~~.
  - (i) ninth, if after [[this]] the third betting round there is no more betting possible, the one or more players ~~remaining~~ in the hand must expose their two face down cards; ~~eards~~.
  - (j) tenth, dealing one community card face up; ~~face up~~,
  - (k) eleventh, if more betting is possible, conducting a ~~further~~ a fourth round of betting; ~~betting~~.

(l) twelve, ~~[[all]]~~ the one or more players ~~remaining~~ in the hand expose their two face down cards to determine which player has ~~the winning~~ a winning five card *poker* hand, wherein each hand comprises the two cards dealt to a player plus the five community cards; and said steps (a) through (l) being conducted sequentially, beginning with step~~[[s]]~~ (a) and concluding with step (l).
